Strategic Partner Referrals

DC Water Works maintains a set of Strategic Partners consisting of: Government agencies, community-based organizations, private contractors and union-affiliated groups that act as referral partners for contractor employment and training opportunities.

In FY 20 the Strategic Partners contributed to the placements of 12 individuals on DC Water projects or training programs.

Partner	Number of Placements	Placement Type(s)
Constituent Services Worldwide (CSW)	3	Laborer – 3
District Department of Employment Services (DOES)	3	Technician – 1, Laborer – 2
District Department of Public Works (DPW)	1	Laborer -1

Green Infrastructure

Pursuant to the MOU between DC Water and the District, there is a goal that **51%** of new hires on GI projects in the Rock Creek and Potomac River sewersheds with Green Infrastructure (GI) should be District residents.

DC Water partnered with the University of the District of Columbia and Washington Parks and People to train and prepare District residents to successfully complete the National Green Infrastructure Certification Program (NGICP) exam.

Curricula was developed in partnership with DC Water, the Water Environment Foundation, and other partners across the nation.

In FY 2020, there was one cohort.

Results:

FY 2020 12 enrolled/ 4 graduated (33%)

➢ GI New Hire Goal: 51% District Resident

General Update

- Completed update to Bloomsoil.com
- Began discussions with Cambi to provide pre-sales support and consulting for new Cambi projects

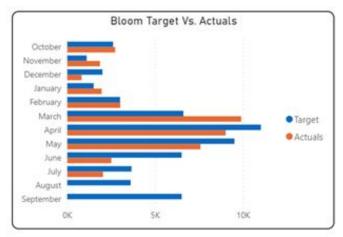

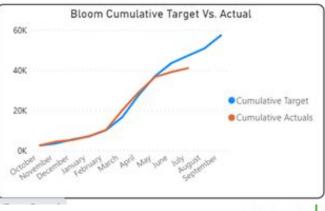

Bloom Update

FY20 Bloom target is 60,000 tons

Cumulative sales have exceeded FY19 total sales but have fallen behind FY20 targets, current annual forecast is estimated at 47,500 tons or 80% of the annual goal.

- Sales of Bloom through the end of July are 41,227 tons against a target of 47,446.
- Unusually wet summer resulted in 8,500 tons of lost sales. A slow down in blending and landscaping due to Covid-19 further impacted sales targets.
- The Frederick Douglas Bridge Project received its first order of Bloom on 08/24
- Estimated savings to Blue Plains through the end of July are \$1.7 million including the reduced cost of land application
- Continued discussions with WSSC about marketing a portion of their biosolids (Bloom) from Blue Plains
- Working with DC Water on a possible Public Private Partnership (PPP) for drying, blending and bagging of Bloom
- Conducted four webinars focused on landscapers, farms, turf and nutrient management; average attendance was 25+

HQO - Events Update

- All events for calendar 2020 have been cancelled due to Covid-19
- Wedding for July 2020 has been rescheduled for July 2021
- Wedding interest remains strong, but no new events have been scheduled due to Covid-19 uncertainty
- Completed new Lookbook marketing brochure for HQO Events
