

Join us for a fun-filled, educational day for Girl Scout Brownies! The girls will learn about water by visiting our eight interactive stations that will deepen their connection to water, teach them to be water advocates, and encourage them to brainstorm ways to share their experience with the community. The Wonders of Water event will be held indoors in the Environmental Center at Alexandria Renew Enterprises. This event is free to attend.

Girl Scouts and their accompanying adults have the option to bring a bagged lunch and a reusable water bottle or drink. The educational journey through each of the eight stations will take approximately 2.5 hours to complete.

Registration for this event opens on Monday, February 12, 2018 and will close on Thursday, March 15, 2018.

Troop leaders will receive a detailed list of activities a few weeks prior to the event to help groups prepare for the day's activities. Scouts will complete many but not all of the requirements of the WOW journey during the event. Alexandria Renew Enterprises will not provide badges or patches for the event.

When:	Saturday, April 7, 2018
Time:	8:45 a.m. - 2:30 p.m.
Where:	Alexandria Renew Enterprises, 1800 Limerick St, Alexandria, VA
Cost:	Free
