Safety and Awareness

- Crews will be working in close proximity to trail users (walkers, runners, explorers and dogs).
- Park users should not enter the work zone.
- QR coded signage will be posted at the perimeter of the park at all entrances to the trail.
- Crews will be sensitive of natural vegetation and wildlife.
- NO equipment will obstruct usage of the park/trail.

**Remember crews and equipment will be present. Residents should always keep dogs on leash per NPS requirements, in addition to the safety of workers and animals*
