

Safe Drinking Water Act Construction Grant Priority List FY 2025 - FY 2026
District of Columbia
BASE FUNDING

Priority Rank	Priority Rank Score (see Attachment 1)	Name / Description (Remarks)	Fiscal Year	Estimated Eligible Cost	Anticipated Federal Share	Target Grant Application
Water Pumping and Storage Facilities Upgrade Contract						
1	Total score..... 30 1 Health..... 20 2 Regulatory..... 0 3 Reliability, safety, environment..... 10	<u>Bryant Street Pumping Station Improvements - Lighting, Pump Controls, & Drainage</u> DC Water Job No. HI01 - Pump Station Rehabilitation: Improvements made to Bryant St Pumping station and Anacostia Pumping Station to maintain and improve functionality.	FY2025	\$10,000,000	\$8,000,000	07/2025
2	Total score..... 30 1 Health..... 20 2 Regulatory..... 0 3 Reliability, safety, environment..... 10	<u>Electrical Mechanical and Instrumentation Upgrades</u> DC Water Job No. HR21 & HR01 - Improvements made to Bryant St Pumping station to maintain and improve functionality.	FY2025	\$13,000,000	\$10,400,000	07/2025
3	Total score..... 30 1 Health..... 20 2 Regulatory..... 0 3 Reliability, safety, environment..... 10	<u>Phase 1 – Fort Stanton Reservoir #2 Replacement</u> DC Water Job No. QG22 & QG02s – Fort Stanton Reservoirs #2 will be replaced, retrofitted, and installed. Installing a new transmission main from APS to Ft. Stanton reservoir site	FY2025	\$38,000,000	\$30,400,000	07/2025
4	Total score..... 30 1 Health..... 20 2 Regulatory..... 0 3 Reliability, safety, environment..... 10	<u>Phase 2 – Fort Stanton Reservoir #1 Replacement</u> DC Water Job No. QG23 & QG03 - Fort Stanton Reservoirs #1 will be replaced, retrofitted, and installed.	FY2025	\$20,000,000	\$16,000,000	07/2025
5	Total score..... 33 1 Health..... 20 2 Regulatory..... 0 3 Reliability, safety, environment..... 13	<u>Pressure Zone Improvement Program</u> DC Water Job No. Z121 & Z101 - Adding a new pump station booster to guarantee minimal water pressure in the A3H zone. Installation of ~1000 PRVs in the Anacostia 3rd high pressure zone.	FY2025	\$40,000,000	\$32,000,000	07/2025
Transmission Mains and Critical Valves Contract						
6	Total score..... 30	<u>Critical Valve Replacement Year 3</u>	FY2026	\$8,700,000	\$6,960,000	07/2026

	1 Health.....	20	DC Water Job No. JZ25- Replacement of two 36-inch valves (one butterfly, one gate) and two 30-inch gate valves within the Georgetown vault. Relocation of the vault and adjacent transmission mains.				
	2 Regulatory.....	0					
	3 Reliability, safety, environment.....	10					
7	Total score.....	32	<u>16-inch CI Reservoir Road Transmission Main Rehabilitation</u>	FY2026	\$25,000,000	\$20,000,000	07/2026
	1 Health.....	20	DC Water Job No. K721- rehabilitation of approximately 8,000 linear feet of the 16-inch cast iron (CI) water main along Reservoir Road NW.				
	2 Regulatory.....	0					
	3 Reliability, safety, environment.....	12					
8	Total score.....	32	<u>16-inch CI Rock Creek Park Transmission Main Renewal</u>	FY2026	\$11,000,000	\$8,800,000	07/2026
	1 Health.....	20	DC Water Job No. K722- improvement of water quality for the Colonial Village area by renewing 2,000 linear feet of the existing 16-in CI main that crosses Rock Creek Park.				
	2 Regulatory.....	0					
	3 Reliability, safety, environment.....	12					
9	Total score.....	32	<u>LDWM Replacement 8</u>	FY2026	\$41,500,000	\$33,200,000	07/2026
	1 Health.....	20	DC Water Job No. K723- Rehabilitating or replacing critical large-diameter water mains.				
	2 Regulatory.....	0					
	3 Reliability, safety, environment.....	12					
10	Total score.....	30	<u>WSSC Interconnections Improvements - Phase I</u>	FY2026	\$6,000,000	\$4,800,000	07/2026
	1 Health.....	20	DC Water Job No. U521- Construction of two new interconnections between the Washington Suburban Sanitary Commission (WSSC) and DC Water systems				
	2 Regulatory.....	0					
	3 Reliability, safety, environment.....	10					
14	Total score.....	32	<u>Fourth High Reno WSSC Interconnection</u>	FY2026	\$5,800,000	\$4,640,000	07/2026
	1 Health.....	20	DC Water Job No. U522-Installation of approximately 3,400 linear feet of new 20-inch water main to enhance interconnections between DC Water and WSSC.				
	2 Regulatory.....	0					
	3 Reliability, safety, environment.....	12					
15	Total score.....	30	<u>WSSC Interconnections Improvements - Phase II</u>	FY2026	\$4,600,000	\$3,680,000	07/2026
	1 Health.....	20	DC Water Job No. U523-Improvements to existing interconnections and construction of a new interconnection between DC Water and WSSC.				
	2 Regulatory.....	0					
	3 Reliability, safety, environment.....	10					
17	Total score.....	33	<u>Fourth High Reno Standby Booster Pumping Station</u>	FY2026	\$11,600,000	\$9,280,000	07/2026

	1 Health.....	20	DC Water Job No. MQ25- To enhance the water supply reliability in the 4th High Reno				
	2 Regulatory.....	0	(4HR) pressure zone by constructing a new booster pumping station				
	3 Reliability, safety, environment.....	13					
Lead Service Line Replacement Contracts							
6	Total score.....	30	<u>Lead Service Line Replacement</u>	FY2026			07/2026
	1 Health.....	20	Annual project consisting of the renewal of small diameter (12-inch and smaller) water				
	2 Regulatory.....	0	mains replacement. Work includes the elimination of dead-end pipelines in the system				
	3 Reliability, safety, environment.....	10	and the replacement of appurtenances, such as valves, fire hydrants, and house service
